BMS World Mission

Nepal

Nepal's divided government is struggling to write the country's first constitution. Strikes and disruption continue to make every day life difficult. In this setting it is easy to forget that Nepal's government today is more representative of the religions, political gender and ethnic groups of Nepal than ever before.

Welton, Midsomer Norton

We continue to give thanks for the way God blesses the various activities we run, for the opportunities this gives us to reach out to our local community and for the relationships this helps us to develop. Please pray for Matt comes, our Outreach Worker, as he co-ordinates many of these different events. Also our three new Elders, John, Pete & Scott. We give thanks that God has raised up these men of good to service the fellowship. We are looking forward to the Christmas period, and are particularly excited about the opportunities coming up for a live Nativity in the Town High Street and our annual Pantomime.

Lawn Community Church, Swindon

John Roe

Please join us in praise for new folk worshipping regularly wanting to find out more about what it means to be a Christian and a church member; our exciting contact with the local primary school, particularly relationships with the Head and Deputy Head. We are planning a joint Community Carol evening with them and a 'Christmas Experience' at our community centre for all the year 6 children and staff. Please pray for Christmas Day when we invite anyone in our community who will be on their own on Christmas Day to join us for Dinner and fellowship. Like many other churches we are looking at a reduced income. Please pray that our vision would not be limited by our human resources, but that we would seek to increase our faith as we are obedient to God's calling.

Prayer Ministry is available every Sunday, before, during and after each service. Please make yourself known to one of the prayer ministry team (identified by their badges) in the overflow area. If you would like prayer at home for any reason, please contact Anne Owen.

If you are relatively new to the church and considering continuing to worship with us, please ask to be introduced to one of the leaders. They will give you more information and take your contact details, if you wish. This will help us to keep in touch with you and offer what help, advice or information you may require.

There is an open invitation to pray for the life of the church and the service every Sunday morning and evening from 10.00am and 5.30pm in room 2. When this room becomes too small for those wanting to pray we will find a larger space.....

Tearfund cards are available on The Hub to be taken away and offer you the opportunity to pray over an issue and sign a card to send to our local MP Liam Fox. In my experience he does pay some attention to these cards and often replies. Please take one and use it today. Sarah Sweet

Also available on The Hub today are information booklets entitled '**The Part You Play – living faithfully in a changing climate**'. Please take one if you're interested in finding out more about climate change and how you can make a difference.
