

THE NEXT PHASE:
EXPANSION
creating an apostolic centre of gospel mission

Acts 13 v 44 – 14 v 7

Spirit of the living Jesus, so live in our lives that we might delight to be light and life to those we meet and reflect your glory in all we do.

Mission involves helping people hear the word of God

Never under-estimate the consequences of other people's jealousy as we engage in mission

How did they face up to the opposition yet continue in mission?

TO THINK AND PRAY ABOUT

What are the examples of gospel expansion in these verses?

What examples do we see today of gospel expansion?

What has your experience been of jealousy and opposition in mission?

What are some of the distinctive features of joy, as defined and described in the Bible?

How would you define grace?
