BUILDING &
eternity

Jude v 20

But you, dear friends, must build each other up in your most holy faith...

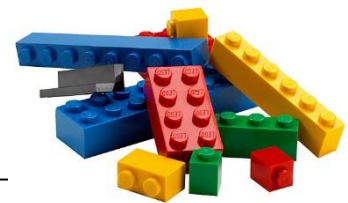

The action of building up described

- It's a long term construction project
- We do this building together
- We build with a future completion in mind

The attention to building detail

- There's a foundation on which to build
- It's unique and divinely given
- It's solid and substantial for our building purposes

The building lesson I have learnt today is...

The building tools and equipment I will need are...

The next part of the building project for me is...
